

**The Northern Forum**  
**Resolution #012**

**Resolution #012 Development of Two Additional Membership Classifications**

Whereas The Northern Forum currently has only two membership classifications, one for regional governments, (Membership I) and one for national governments and institutions, (Membership II).

Whereas the dues for these membership classifications may be considered too expensive by many individuals and institutions.

Whereas there is a growing interest in the activities of The Northern Forum by business individuals and N.G.O.'s.

Whereas the involvement of a broader category of memberships would benefit the project activities of The Northern Forum.

Whereas increased revenue generated by additional dues would greatly enhance the organization's effectiveness.

Now, therefore, be it resolved that the Board of Directors of The Northern Forum do hereby agree to amend the bylaws to include the following additional membership classifications:

Associate - Business and corporate institutions.  
Annual fee: \$5,000.00

Advocate - Individual, nonprofit organizations and N.G.O.'s  
Annual fee: \$2,000.00

Signed this day of October 3, 1993.
