

Resolution #48
Concerning Support for the
International Association of Mayors of Northern Cities

Whereas the Northern Forum desires to exchange information on problems common to northern regions, and to cooperate in solving these problems,

Whereas the Northern Forum cooperates with nonprofit organizations developing similar research or programs to fully utilize and jointly manage resources and information.

Whereas the International Association of Mayors of Northern Cities is a permanent international organization of mayors of northern cities.

Whereas these mayors cooperate in solving winter problems facing northern cities.

Therefore the Board of Directors hereby resolves that the Northern Forum will systematically associate and cooperate with International Association of Mayors of Northern Cities to solve problems common to northern regions.
