

Resolution #40
Concerning Clarifications in the Entitlements of Membership I and II

Whereas Article II, Section A1 of the Bylaws of the Northern Forum enumerates the Membership I Entitlements.

Whereas the Entitlement #1 refers to a member's right to attend only the biennial meeting of the Northern Forum.

Whereas the Northern Forum currently holds at least one meeting each year.

Therefore the Board of Directors hereby resolves to amend the Bylaws (Articles II, Section A1) to change the words "biennial meeting" to "all meetings and events".
